MGR

CASINO CHAIRS

for

FONTAINEBLEAU
LAS VEGAS

MGR Casino Chairs is the first official supplier of slot chairs and table gaming chairs for the iconic Fontainebleau Las Vegas. Precious finishings, premium materials and modern yet classy shapes are the main features of the capsule collection created for Fontainebleau Las Vegas.

MGR team worked tirelessly to create signature models studied even in the smallest details and made to be resistant and beautiful.

MGR

CASINO CHAIRS

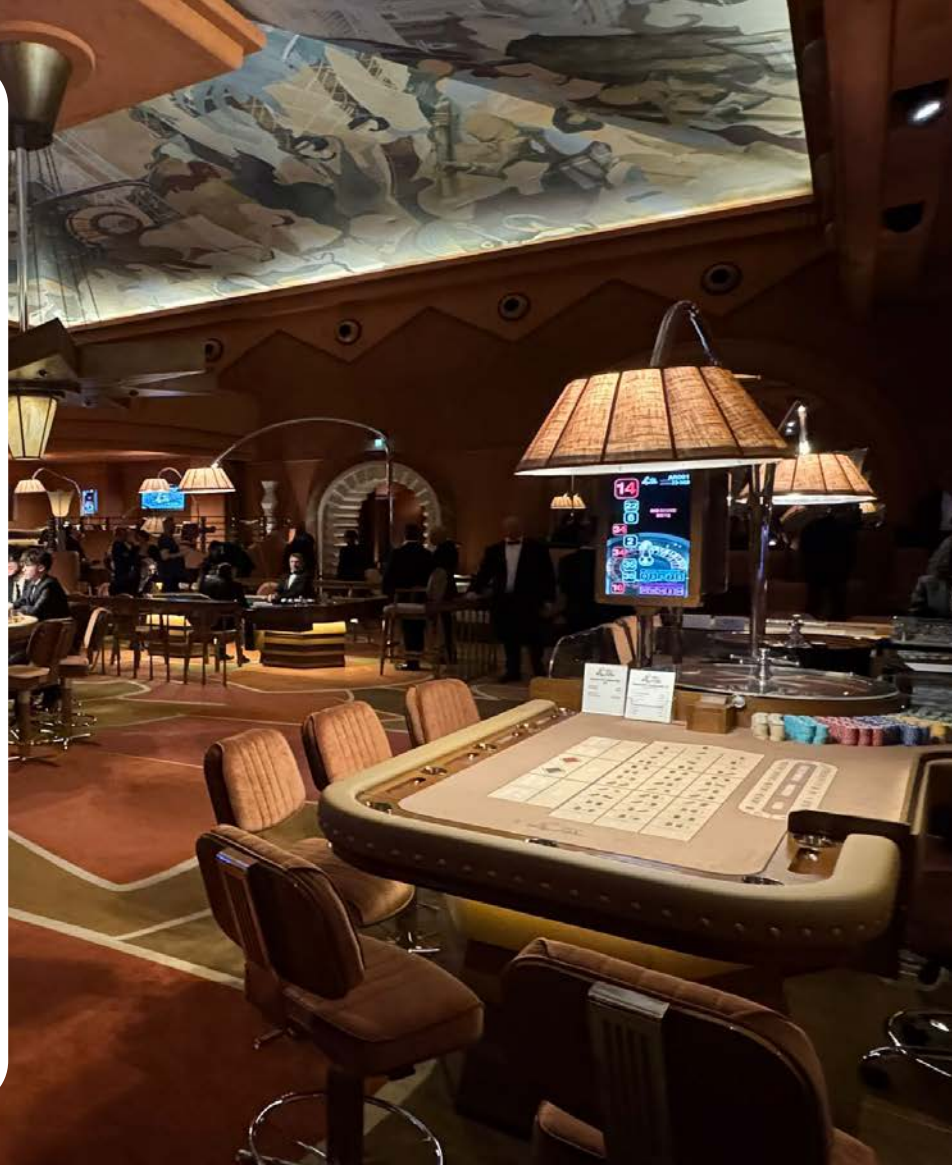

for

PALM BEACH

CANNES ♦ 1928

Based on the concept developed by the *Caprini & Pellerin* design studio, and thanks to the experience accumulated over the years by MGR, a series of casino seats with extreme class was created. The perfect mix of functionality and beauty.

A blend of refinement with a clear retro accent and cutting-edge technological solutions come together to give life to a collection made of sophisticated materials and featuring elegant lines.

FEATURES

MGR CASINO CHAIRS has always been customer-oriented. The commitment to providing **tailored solutions** has led us to expand our range of options, including various bases, product types, fabrics, custom embroidery of **your logo**, and even custom products thanks to our **R&D and graphic department**.

Explore the extensive range of bases that **MGR Casino Chairs** offers. Choose from a variety of shapes, materials, and finishes, from the timeless conic base to the **highly customized** root-wooded one.

FABRIC AND UPHOLSTERY COATINGS

TECHNICAL MATERIAL

ECO-LEATHER

REAL LEATHER

MICROFIBER

VELVET

DECORATIVE

Leather, velvet, microfiber and technical antibacterial coating are only few among the hundreds of options available. You can go for a classy and timeless choice like leather or velvet or you can go for an hi-tech solution with hypoallergenic or fireproof fabric. For a high level of endurance.

EMBROIDERIES

Embroider your logo on the front or back of your seating. Personalize your chair with your unique signature.

MGR Casino Chairs presents Storm®, the new e-sports equipment label. Storm® e-sports chairs are Made in Italy and guarantee the highest level of performance during long gaming sessions. Embroidered leather, printed microfiber, and highly ergonomic seating with adjustable height are just a few of the many technical features that make this product highly advanced.

MGR Cares: the way to provide help to people who need it most. We strongly believe in the entrepreneur's role in social responsibility as a tangible commitment. Through consistent support, we can ensure a better present and future for hundreds of children and young people facing challenges. That's why we share a social responsibility program with *I bambini delle fate* and *Fondazione Città della Speranza Onlus*.

I BAMBINI DELLE FATE
per l'inclusione sociale

Founded by Franco e Andrea, *I Bambini delle Fate* is a social enterprise that has been involved since 2005 in ensuring support for social inclusion. Franco, whose son Andrea is affected by autism, believes that any daily challenge, even the hardest one, has to be faced with a smiling face.

Fondazione
Città della Speranza
ONLUS

Fondazione *Città della Speranza* onlus is a foundation that works on preventing and defeating pediatric pathologies and at the same guaranteeing the best diagnoses, treatments and assistance for young patients. *Città della Speranza* provides the best accommodation facilities for patients and takes care of ensuring school and play materials for hospitalized children.

SHOWS

CERTIFICATIONS

Our seatings for slot machines and casinos are crafted to be durable despite continuous use. Just like cars in crash tests, our stools undergo rigorous endurance and reliability tests. We test our products over extended periods to ensure the highest level of durability. Our commitment to a tested and proven process has earned MGR Casino Chairs the worldwide reputation of superior quality maker.

Winning Attitude
